

DAVID A. HASHEMI, MD, MBA

ATTENDING CLINICAL EXPERIENCE

- 2025-present **RGG MEDICINE PLLC** New York, NY
Laser and Cosmetic Dermatologist
- Together with Dr. Roy Geronemus, offer the full range of laser and injectable treatments with an industry-leading collection of devices
- 2024-present **MORGAN DERMATOLOGY** Neptune, NJ
& **RAVITS DERMATOLOGY** Hackensack, NJ
Attending Mohs Surgeon and Cosmetic Dermatologist
- Perform Mohs and additional dermatologic surgical procedures, including complex repairs, in an area with high skin cancer burden
 - Offer a range of cosmetic and surgical dermatologic procedures, including laser, soft tissue filler, and neuromodulator treatments
- 07/2024-present **PENN MEDICINE PRINCETON HEALTH** Princeton, NJ
Affiliated Attending Dermatologist
- Provide inpatient and emergency department call coverage over a month-long period on a rotating basis
 - During this call month, care for general Dermatology patients within the Zufall Care Center, which provides no-cost care for a largely Spanish-speaking population with limited access to care
 - Member of the associated Princeton Physicians Organization
- 2023-24 **ADVANCED DERMATOLOGY, PC** New York, NY
Attending Dermatologist (moonlighting during fellowship)
- Provided general, medical, and cosmetic dermatology care ~2 Saturdays per month in a moonlighting capacity during fellowship

EDUCATION AND TRAINING

- 2023-24 **LASER & SKIN SURGERY CENTER OF NEW YORK** NY, NY
Dual Mohs Surgery / Cosmetic Dermatologic Surgery fellow
- Combined American College of Mohs Surgery and American Society of Dermatologic Surgery (ASDS) fellowship under Dr. Roy Geronemus
 - Performed nearly 1,000 cases of Mohs surgery as primary surgeon
 - Trained with 2 NYU-trained Plastic Surgeons (including former Chair of NYP-Cornell) to perform over 200 flap and graft repairs for complex cases referred from throughout NYC

- Developed expertise in the use of lasers and devices for ablative and non-ablative resurfacing, vascular lesions, pigmented lesions, tattoo removal, laser hair removal, radiofrequency microneedling, acne (e.g., Accure), broadband light therapy, microcoring (e.g., Ellacor), ultrasound-based tissue tightening, and body contouring
- Performed the full range of soft tissue filler and neuromodulator procedures, with experience with the full suite of products across all major brands
- Served as sub-investigator on multiple laser, device, topical, and injectable clinical trials

- 2020-23 **HARVARD MEDICAL SCHOOL** Boston, MA
Resident physician – Department of Dermatology
- Areas of focus: surgical dermatology, laser and procedural dermatology, oncodermatology, clinical trials, innovation
 - Continuity attendings: Dr. Mat Avram (*recent ASDS President; laser and cosmetics*), Dr. Deborah Scott (*ethnic skin, hair loss, cosmetics*)
- 2019-20 **MEMORIAL SLOAN KETTERING CANCER CENTER** NY, NY
Resident physician – Transitional Year Intern
- Managed care for a highly complex Oncologic patient population at a tertiary referral center, primarily in an inpatient setting with additional experience in outpatient and surgical management
 - Served as one of two general medicine nightfloat residents for 6 weeks during the first wave of COVID-19 in NYC (March-April 2020)
- 2015-19 **UNIVERSITY OF PENNSYLVANIA** Philadelphia, PA
Doctor of Medicine (MD)
- Received Honors in all clinical rotations and sub-internships
 - Earned highest-possible class rank (MPSE bottom line: ‘exceptional’)
- 2013-14 **JOHNS HOPKINS UNIVERSITY** Baltimore, MD
Post-baccalaureate Premedical Certificate
- Cumulative GPA: 4.0
- 2006-08 **STANFORD GRADUATE SCHOOL OF BUSINESS** Stanford, CA
Masters in Business Administration
- One of only five students matriculated directly from undergraduate; youngest member of graduating class
- 2004-06 **UNIVERSITY OF CHICAGO** Chicago, IL
BA in Economics, with university honors
- Elected to Phi Beta Kappa
 - Cumulative GPA: 3.94 (*Science GPA: 4.0*)

- Relevant coursework: Statistics, Calculus (5 courses), Econometrics

Hashemi DA (April 2021). *Best of Brigham and Women's Hospital Inpatient Consults – January and February 2021*. Boston, MA.

LETTERS AND COMMENTARIES

Tsao H, **Hashemi DA**. Frontline BRAF Testing–Guided Treatment for Advanced Melanoma in the Era of Immunotherapies: A Cost-Utility Analysis Based on Long-Term Survival Data.

PracticeUpdate website. Available at: <https://www.practiceupdate.com/content/frontline-braf-testing-guided-treatment-for-advanced-melanoma-in-the-era-of-immunotherapies/104169/65/4/1>. Accessed August 07, 2020

ADDITIONAL WORK EXPERIENCE

2023 **GORE RANGE CAPITAL** New York, NY
(Jan-Jun) *Entrepreneur in Residence*

- Actively sourced and evaluated potential investments as part of the only venture capital firm focused exclusively on dermatology startups
- Provided medical, dermatologic, and strategic expertise to drive growth of existing portfolio companies
- Led quarterly meetings with the firm's Industry Advisory Board, consisting of influential leaders from across the field of Dermatology

Nov 2020 **LEO PHARMACEUTICALS** Boston, MA
Clinical Trials Externship

- Learned clinical trial design via close collaboration with Adam Raff, MD, PhD, the company's Director of Translational Medicine

Nov 2020 **BETH ISRAEL DEACONESS MEDICAL CENTER** Boston, MA
Clinical Trials Externship

- In conjunction with LEO externship above, worked with BIDMC's Dermatology clinical trials unit (CLEARs) to learn trial execution

2011-13 **LIVE NATION ENTERTAINMENT** Los Angeles, CA
Director, Strategy & Analytics

- As leader of Ticketmaster (TM) corporate strategy, was the youngest Director across all of Live Nation (a Fortune 500 media company)
- Managed a team of 3-4 post-MBA direct reports, as well as numerous cross-functional teams on 20+ projects spanning all divisions
- Led strategy development for TM's largest product launch in company history, which drove \$1B in gross ticket value in its first 15 months
- Worked directly with the CEO and Senior VPs on TM's top priorities, ranging from NFL and NBA league deals to a \$110M tech investment

2008-11 **L.E.K. CONSULTING** Los Angeles, CA
Engagement Manager

- Promoted within earliest possible timeframe (24 months) after receiving highest performance rating all 4 review periods
- Led multiple cross-functional teams of consultants, client team members, and 3rd-party contractors, ranging from 2-10 people / team
- Held significant teaching & development responsibility, writing and delivering 30+ performance reviews, and having 4 assigned mentees

Select case examples:

- Served as project lead in developing a cross-functional, cross-regional dashboard of quality and patient safety metrics for a Medicaid plan
- Led a \$500M+ post-merger integration for a healthcare services firm during the height of healthcare reform in 2010
- Conducted a range of quantitative Electronic Medical Record analyses for a regional healthcare network, driving interventions that improved readmission rates, continuity of care, and patient outreach
- Across 15+ other healthcare, technology, & media projects, developed data analytics, quantitative models, operational plans, and leadership presentations to effect fundamental changes or investments

2007-08 **HOMERLABS, LLC**

Palo Alto, CA

Founding Team Member (as part of a Stanford entrepreneurship course)

- Developed the business model and raised \$1M+ in venture capital funding for a start-up technology used for cosmetic procedures
- Since funding, the technology was featured on Anderson Cooper, Time Magazine, and various other news outlets and conferences

2007 **INTUIT, INC.**

Mountain View, CA

Summer Associate, Corporate Strategy & Development

- Designed tools to track client impact for a \$1.4B acquisition (Digital Insight)

ACADEMIC AND COMMUNITY EXPERIENCE

2025 **AMERICAN ACADEMY OF DERMATOLOGY**

Boston, MA

-present *Co-Principal Investigator – IDEA Grant*

- Served as co-Principal Investigator for Skinonomics 101, working with Harvard Dermatology residents to develop educational modules teaching Dermatologists the economics of medicine and dermatology
- Covered topics include practice financials, reimbursement, pharmaceutical economics, negotiations, and leadership principles

2025 **VASCULAR BIRTHMARK FOUNDATION**

New York, NY

-present *Volunteer clinician*

- Provide pro bono laser treatment and multi-disciplinary counseling for patients from throughout the world at both the NYC Annual Super Clinic and the European Annual Super Clinic

2020-23 **HARVARD DERMATOLOGY** Boston, MA

Promotion in Place [PIP] Participant (Jan-Jun 2023)

- One of three residents to be selected to participate in the first-ever class of PIP, an American Board of Dermatology- and ACGME-approved program being piloted at Harvard
- Based on demonstration of competence ahead of the traditional 3-year graduation schedule, spent final 6 months of residency serving:
 - o 50% in a clinical role, often with attending-level responsibility
 - o 50% in a non-clinical role, as described above with Gore Range Capital

Interview Committee Member (Jan 2023)

- Selected to serve as the sole resident on the Harvard Dermatology interview committee, together with the program director, department chairs, and other key faculty
- In this role, actively participated in both interviewing and ranking the 40+ candidates selected to interview

Residency Selection Committee Member (2020-23)

- Together with faculty across 6 Harvard hospitals, reviewed residency applications and selected candidates for interviews

Resident Cosmetic Clinic Leader (2020-21; 2022-23)

- Organized and led teaching sessions in which faculty precepted residents in providing cosmetic treatment to family, friends, and staff
- Interfaced with nearly all cosmetic injectable companies to obtain product donations for residents to use in cosmetic teaching cases
- Launched a program in which residents and faculty provided free cosmetic treatment to staff to build morale during the pandemic

Wellness Committee Leader (2020-21; 2022-23)

- Organized and led multiple social and wellness events, both resident-wide and together with various Harvard Dermatology sites

Orthopedic Surgery Special Review Committee Member (Dec 2022)

- Served on a multi-disciplinary committee to evaluating program improvement measures for the Harvard Combined Orthopaedic Residency Program

2022 **NEW ENGLAND DERMATOLOGICAL SOCIETY** Boston, MA

Resident Leader

- Led across 5 Harvard-affiliated institutions to host Harvard's annual conference presenting complex cases and keynote speeches to >300 attendees across all New England dermatology programs
- Managed 20 teams of dermatology attendings, residents, and medical students in developing case writeups and presentations

2019-20 **MEMORIAL SLOAN KETTERING CANCER CENTER** NY, NY

Program Education Committee Member

- Worked with program and departmental leadership to design, evaluate, and improve professional development activities for Transitional Year interns

2015-18 **UNIVERSITY CITY HOSPITALITY COALITION** Philadelphia, PA

Board Member; Diabetes and Hypertension Coordinator

- As part of the Board, led 30+ medical student volunteers in offering a weekly medical clinic for West Philadelphia's homeless population
- Worked with physicians, pharmacy, and podiatry to launch a longitudinal program for uninsured patients with Diabetes Mellitus

2018 **UNIVERSITY OF PENNSYLVANIA** Philadelphia, PA

Teaching Assistant, Perelman School of Medicine

- Led training in communication skills, patient relationships, and determinants of health in "Doctoring 1A: Introduction to Medicine and Society", a key component of Penn Med's 1st year curriculum
- Facilitated hands-on dissection and instruction in Penn Med's introductory Anatomy course for medical students
- Selected by school administration to provide free shelf exam tutoring to peer medical students

2018 **UNIVERSITY OF PENNSYLVANIA** Philadelphia, PA

Near-Peer Mentor

- Selected by the Department of Medicine to provide mentorship to new clerkship students on how to thrive in their role on patient care teams
- Led small group sessions, one-on-one conversations, and panel discussions

2018 **JKCP MEDICAL SUMMER CAMP** Philadelphia, PA

& 2016 *Chief Teaching Assistant (2018), Teaching Assistant (2016)*

- Selected as Chief TA to lead a team of 11 medical student TAs providing instruction to 105 high school students
- Supported training and curriculum on a range of topics, including physiology, anatomy, procedures, simulations, and pathology

- Coordinated activities across faculty, service providers, and camp staff
- 2015-18 **LEADERSHIP IN MEDICINE INTEREST GROUP** Philadelphia, PA
Co-chair
- Organized multiple events in which leaders in academic medicine, industry, and non-medical fields discussed key leadership lessons
- 2015-16 **ONCOLOGY INTEREST GROUP** Philadelphia, PA
Co-chair
- Developed a Mock Tumor Board event for the medical school's new cancer biology course, in addition to other group events
- 2014 **SINAI HOSPITAL OF BALTIMORE** Baltimore, MD
Intersession Program Participant (3 weeks shadowing in Rad. Onc.)
- 2012-13 **UC IRVINE MEDICAL CENTER** Orange, CA
Volunteer – orthopedics post-surgical inpatient unit

RESEARCH EXPERIENCE

- 2025 **RGG MEDICINE PLLC** New York, NY
 -present *Ongoing academic and research involvement*
- Frequent contributor to research and presentations regarding innovations in laser and procedural dermatology
 - Invited reviewer for Dermatologic Surgery, Journal of Cosmetic Dermatology, and JID Innovations, among others
- 2020- **HARVARD MEDICAL SCHOOL** Boston, MA
 2023 *Department of Dermatology*
- 2018-19 **UNIVERSITY OF PENNSYLVANIA** Philadelphia, PA
Department of Dermatology
- Received the Stelwagon Award (first prize) for clinical dermatology research from The College of Physicians of Philadelphia
- 2016-17 **UNIVERSITY OF PENNSYLVANIA** Philadelphia, PA
Department of Radiation Oncology
- 2013-15 **JOHNS HOPKINS UNIVERSITY** Baltimore, MD
Department of Interventional Pulmonology

GRANTS AND FELLOWSHIPS

2024-25 Brigham and Women's Hospital

American Academy of Dermatology IDEA Grant

\$34,000

PI: Nambudiri, V

- With Harvard Dermatology residents, developed 8 modules teaching Dermatologists the economics of the field, on topics including practice financials, reimbursement, pharmaceutical economics, negotiations, & leadership principles

2022-23 Massachusetts General Hospital

Conference Presentation Travel Grant

\$1,000 (x2 – 2022, 2023)

PI: Avram, M

- To present the history, present, and future opportunities of lasers in dermatology and cosmetic surgery
- To present adverse events reported in association with fractional ablative and non-ablative resurfacing lasers

2022 Beth Israel Deaconess Medical Center

Conference Presentation Travel Grant

\$1,000

PI: Weiss, J

- To present a case series of secondary intention healing on the plantar foot to the Mohs College

2018 University of Pennsylvania Department of Dermatology

NIH T32 Dermatology short-term pre-doctoral research fellowship

\$6,000

PI: Rosenbach, M

- To study rare granulomatous conditions including necrobiosis lipoidica and necrobiotic xanthogranuloma
- Developed the largest studies to-date on both conditions

2016 University of Pennsylvania Department of Radiation Oncology

Department of Radiation Oncology summer research grant

\$4,000

PI: Vapiwala, N

- To study attitudes and quality improvement opportunities among radiation therapists

FORMAL DEVICE AND INJECTABLE TRAININGS

Solta Medical (*Fraxel Dual, Clear & Brilliant, Thermage*)
Lutronic (*LaseMD Ultra, Genius, PicoPlus, DermaV, Clarity*)
Sciton (*BBL Heroic, ClearV, ClearSilk*)
Cynosure (*PicoSure, Potenza*)
Allergan (*Juvederm, Botox, SkinVive, Kybella*)
Galderma (*Restalyne, Sculptra, Dysport*)
Merz (*Radiesse, Belotero, Xeomin*)
Revance (*RHA, Daxxify*)
Ellacor
Accure
MiraDry
Sofwave
UltraClear

TECHNICAL SKILLS

Excel (advanced)
Access (advanced)
REDCap (advanced)
SQL (intermediate)
SPSS (basic)

CERTIFICATIONS

- American Board of Dermatology
- American Board of Dermatology – Micrographic Dermatologic Surgery
- Advanced Cardiovascular Life Support (ACLS) (*inactive*)
- Basic Life Support (BLS)
- Wilderness First Responder (WFR)
- FEMA Emergency Management Institute ICS 100 and 200 (*Incident Command Systems for Disaster Management*)
- American College of Sports Medicine (ACSM) certified personal trainer (*inactive*)

HOBBIES AND INTERESTS

- International travel; health and fitness; surfing; road trips
- Spent the year between post-bac and medical school (2014-15) traveling throughout South America and Southeast Asia
- Intermediate understanding of Farsi; basic understanding of Spanish
